## VOCABULARY PRACTICE

*Let's listen to the recording again and fill in blanks below*

--

**Tutor:** Mac's right. If you write one very good **1** , but it's only worth thirty percent of the **2** , you still lose the other seventy **3** on that exam.

**Gerry:** So, it's better to write our main **4** for a question even if we don't have time to answer it **5**

**Tutor:** Yes, **6** . We can't give you **7** for writing nothing. But, if you give us your main **8** , we can give you some marks

**Barbara:** Oh, really! I wish I'd **9** that in my last exam. I spent all my time writing a long answer to one of the questions and didn't **10** round to the other two. I didn't understand why I got such a low mark.

**Mac:** Yeah. That's what **11** to me. **12** , my tutor **13** it **14** and I **15** did it again.
