

Chorus

I wonder if this light inside my heart has been right here all along
And I've never noticed it at all
'Cause every time I _____ (**Ibtumse**) down or have to take the long way around
It shines on me forevermore

Verse

The distant singing of the bells
If you listen close it tells a lonely story
Once more I'll push my fears away
All that I _____ (**denuer**) today will make me stronger

Pre-chorus

The _____ (**reme**) repeating of reality alone
_____ (**ngalais**) the stars and all the wishes they take on
At last I've found something to chase with all my _____ (**tighm**)
I cannot fight or go _____ (**sngtiia**) these feelings

Chorus

No matter if one day I wake and blink away this world around me
And I'm lost in thoughts of what could be
I know that I will find my way
'Cause now I have this light within me
It shines on me forevermore

Verse

Every night following that dream
Where I threw away that old and silly ribbon
Lights have _____ (**rnadoed**) the city streets

And I've been without one _____ (etr̄f) or worry within

Pre-chorus

I need a _____ (stnayacru) that will keep me safe

As if protected like an angel in heaven

If I cannot have wings I'd like someone to trust

I know it must be wonderful like magic

Chorus

If I could choose I'd stay like this forever while this world around me

Fills with colors I have never seen

I know I wouldn't hesitate

'Cause now the colors of each moment

Will change and change forevermore

Bridge

Answers we cannot find no matter if they're not kind

We'll find it even blind, that is true in my mind

I'm believing till the end

That we are similar my friend

One day I'll shine like this dream world

Pre-chorus

If you just take a moment to blink all those tears away from your eyes

And you manage to conceal your cries

You'll never fear again because the future you _____ (rayneed) for in heartache

Will shine on you forevermore

Without a limit

Chorus

No matter if one day I wake and blink away this world around me

And I'm lost in thoughts of what could be

I know that I will find my way

'Cause now I have this light within me

It shines on me forevermore

And shines and shines forevermore

For you and me, eternally.
