

Chapter 7

Identify the Sports

Sports can be entertaining and adventurous.

Look at the pictures and read the descriptions. Then, using the Help Card write the names of these not so popular games :

1. This involves jumping from a tall structure while connected to a large elastic cord.
2. This involves tossing of a 20-feet-tall wooden pole called the caber, so that it turns end over end.
3. In it, the player throws a small metal ball along a very long road.
4. Men, as heavy as 270 kg, go belly to belly.
5. The equipment of this sport consists of a standard polo ball and six to ten feet long cane sticks.
6. Players go 1-8 metres underwater to compete for a puck.
7. People just keep paddling the canoe straight down the waterfall.
8. People race on camels.
