

Chapter 27

# Aquatic Sports

Can you name the aquatic sports described below? Take help from the Help Card :

1. Racing in sail or power-driven boats.

2. Riding a small lightweight boat with oars whose both ends are flat.

3. Riding over waves coming in towards the shore, on a surfboard.

4. Swimming underwater near the surface, breathing through a tube-like device.

5. Racing of boats with many oars on inland rivers.

6. In it, swimmers work out a routine of identical movements to music.

7. Using a rubber raft to manoeuvre through rapids of white water.

8. Riding over water on skis pulled by a motorboat.

9. Sport played in a swimming pool by team of seven with buoyant ball resembling an association football.

10. Riding a fast-flowing river in a narrow canoe-like boat.

Synchronized Swimming, Canoeing, Rowing, Yachting, Surfing, Snorkelling, White-Water Rafting, Kayaking, Water Polo, Water Skiing
