Class 3C – World Week – Turkey

Samuel Rose

Merhaba!

Last week was World Week and in Class 3C we learned about Turkey. We did lots of exciting activities.

In art, we looked at paintings by a famous Turkish artist. Her name is Fahrelnissa Zeid. Her paintings use shapes and lots of bright colors. We painted pictures with bright colors like hers.

In music, we worked in two groups and learned two traditional Turkish dances. Our dance was difficult and I wasn't very good at it, but it was fun.

In geography, we learned about some famous buildings in Turkey. My group chose the library in Ephesus. It was built by the Romans and is nearly 2,000 years

old. We read about it on the Internet and then we made a model of it using cardboard, paper, and glue.

My favorite class about Turkey was history. We learned about a man – Hezarden Celebi – who made himself wings and flew across the Bosphorus from Europe to Asia in 1632. In Turkey, they call him “the first flying man.” Many people say the story isn't true, but I loved it.
