

writing: describing a dream job

read the example.

Write two paragraphs. In the first paragraph, say what the job is, where you work, who you work with and what you do.

I work as a newspaper photographer. I get to work in lots of different places with lots of cool people and I photograph many different things. Yesterday I was at a fashion show and today I'm taking photos at a food festival. I take hundreds of photos every day. It's a fantastic job and I love it. I really like going to interesting places and meeting new people. Sometimes the hours are long, but I don't mind. I would like more pay, however! I think it's the best career in the world.

In the second paragraph, say what you like about the job. Try to imagine something you don't like. Say something you'd like to change.

Now, imagine you have your dream job! You need to write a short description of it. Answer the questions to plan your description.

- 1 What is your dream job?
- 2 What do you do every day?
- 3 Where do you work?
- 4 Who do you work with?
- 5 Why do you like your job?
- 6 What don't you like about it?
