I have a small family. There are four people in my family: my father, my mother, my sister, and me. We all live together in a cozy house.

My father works in an office. He goes to work from Monday to Friday. He wakes up early in the morning, gets dressed in his work clothes, and leaves for the office. He usually comes back home in the evening and spends time with us.

My sister is younger than me. She goes to school and is in the third grade. She enjoys playing with her friends and reading books. In the evenings, we sometimes play games together or watch our favorite cartoons.

As for me, I am a student. I go to school from Monday to Friday. I study different subjects like math, science, and English. After school, I like to play soccer with my friends in the park. In the evenings, I do my homework and spend time with my family.

We love spending weekends together. Sometimes, we go for picnics, visit relatives, or watch movies at home. We enjoy each other's company and create beautiful memories as a family.
