

Chapter 48

First Aid (+)

Choose the correct option below :

1. You have sprained your foot while playing football in school.
   a. Start crying in pain.
   b. Apply ice pack and muscular relaxant.
   c. Run to the infirmary in your school.

2. A person is bleeding profusely.
   a. Wash the skin around the cut with an antiseptic solution and clean with running water using cotton.
   b. Give him/her whatever medicine is in the house.
   c. Leave him/her bleeding.

3. A person is bitten by a dog.
   a. Wait for the doctor to examine him/her.
   b. Wash the wound thoroughly with running water and cover it with a clean dressing.
   c. Cover the wound with any cloth or handkerchief.

4. Someone has fainted.
   a. Sprinkle water on his/her face and head.
   b. Leave him/her and run to call the doctor.
   c. Wait for an elder to come and see him/her.

5. A foreign particle has entered your friend's eye while playing in the park.
   a. Rub his/her eye.
   b. Use a cotton swab or cloth to remove the particle.
   c. Rinse the eye gently to let the particle flush out.
