After a long day at work, I decided to avoid *(0)*_____ and instead arranged to order takeout for dinner. I didn't feel like cooking and couldn't face (1)_____ more time in the kitchen after a busy day. My family enjoys trying different cuisines, so we decided (2)_____ Thai food, which we all love for its flavors and variety. I appreciate the convenience of having meals delivered, especially when we're all tired and don't feel like (3)_____ a meal from scratch. We don't mind paying a bit extra for it because it saves us time and effort.

As we enjoyed our Thai dinner, we couldn't help but feel satisfied with our choice. The spicy dishes were exactly what we fancied after a long day. We considered (4)_____ new restaurants next time, maybe exploring other Asian cuisines or even attempting to cook some Thai dishes ourselves. It's something we've always thought about learning, and this meal has inspired us to attempt new recipes at home. We hope (5)_____ our time better and plan more evenings like this, where we can relax and enjoy delicious food together.
