marks

Read the passages carefully. Choose the most suitable word given in the boxes and write its letter (A to E) in the blanks. Use each word **ONCE** only.

### PASSAGE 1 (3 x 1 = 3 marks)

(A) safe

(C) grass

(E) slowly

(B) fast

(D) hide

The savanna is dangerous for zebras and other big, plant-eating animals because lions kill and eat them. Although there is nowhere to **1** \_\_\_\_\_ from the lions, the zebras' striped coats help them to blend in with the **2** \_\_\_\_\_. Zebras can run very **3** \_\_\_\_\_ too.

**PASSAGE 2 (3 x 1 = 3 marks)**

(A) shades

(C) fight

(E) dull

(B) kill

(D) bright

Panther chameleons live in rainforests on the island of Madagascar. When male panther chameleons meet, they will sometimes get into a **4** \_\_\_\_\_. Each of them wants to show the other that it is more superior. They puff themselves up and turn into brilliant **5** \_\_\_\_\_ of yellow and red. If one of them turns into a **6** \_\_\_\_\_ or dark colour, it means it has decided to get out of the battle.

**PASSAGE 3 (4 x 1 = 4 marks)**

(A) leaves

(C) hunts

(E) flaps

(B) plays

(D) hides

An Asian horned frog is a creature which looks like a dried leaf. From above, the **7** \_\_\_\_\_ at the top of its eyelids look like leaf tips. It is almost invisible among the dead **8** \_\_\_\_\_ on the floor of its rainforest home. It usually **9** \_\_\_\_\_ during the day and **10** \_\_\_\_\_ for its own food at night, under the cover of darkness.
