Tujuan Pembelajaran

- Petunjuk Pengisian LKPD

-
- A colorful banner featuring various mathematical symbols and formulas. On the left, a red notebook with a white label that says "MATH" is shown. Next to it are a yellow pencil, a blue circle with a white plus sign, and a red circle with a white minus sign. In the center, an open book displays two pages: the left page shows a right-angled triangle with sides labeled
- a
- ,
- b
- , and
- c
- , and the formula
- $a^2 + b^2 = c^2$
- below it; the right page shows a circle with a shaded sector labeled
- d
- and the formulas
- $d = \pi r^2$
- and
- $\pi = 3.14$
- below it. To the right of the book is a blue 3D cube. Further right is a yellow protractor, a blue circle with a white division sign, a red circle with a white multiplication sign, and a blue calculator with a black display showing the number 0. The background is a mix of orange and red geometric shapes. In the bottom right corner, the text "LIVEWORKSHEETS" is written in a stylized font, with "LIVE" in green and "WORKSHEETS" in blue.

Kesimpulan:

.....

.....

.....

.....

Selamat Mengerjakan!

$$a^2 + b^2 = c^2$$

$$d = 2 \cdot \pi \cdot r$$

$$\pi \approx 3,14$$
