Reading

1 02 Read and listen.

I'm Jake and this is my brother Harry. We're scouts. Scouts learn new things. Then we get badges. The badges are on our shirts.

These are Harry's badges.

He can sail.

He can ski.

He can climb.

And these are my badges. I can't skate or sail, but look what I can do!

I can swim.

I can cook.

I can catch a fish.

I haven't got these badges. I can't fly and I can't ride a horse.

3 Complete the table.
