VOCABULARY PRACTICE

*Let's listen to the recording again and fill in blanks below*

Now I'd like to talk a bit about how 1 _____ has affected bird 2 _____. One of the effects of global warming has been to make the spring come earlier in the 3 _____ regions of the world. When spring comes early, the plants and 4 _____ that birds need to bring up their young are also 5 _____ earlier. Research has shown that quite a lot of 6 _____ have started to 7 _____ earlier, because of higher 8 _____. But, 9 _____ for some species, this hasn't been early enough. What I'm saying is that birds that are 10 _____ a long way for 11 _____ may arrive too late to find enough food to 12 _____ their young and their population drops 13 _____. Scientists are currently 14 _____ more about this.
