

## Listening to an interview

🔊 Listen to a conversation between a miner and an interviewer. Choose the correct answers:

1. What is the conversation about?
  - A. The man's mining experience
  - B. The positions available at the company
  - C. The types of metals the company mines
  - D. The mines the man will be assigned to
2. What is true of the man?
  - A. He expects to mine minerals at the new company
  - B. He knows the process of mining steel very well
  - C. His first job was mining precious metals
  - D. He mined coal at a previous job.

🔊 Listen again and complete the conversation:

**Interviewer:** Thanks for ..... today.

**Miner:** My pleasure. I'm very ..... in the position.

**Interviewer:** Now, you worked at Jackson ..... before?

**Miner:** I did. My group mined metals and .....

**Interviewer:** I see. But this company mines ..... We need someone with that experience.

**Miner:** Yes, of course. I mined coal at my first job.

**Interviewer:** ..... hear it. When was that?

**Miner:** It was about five years ago. But I remember the process very well.
