

Check these reviews of different places where you can get an interesting meal in Guatemala

Have you ever been or eaten there?

- What do you think about it?
- Use some of the words to describe your experience in that place.

Create and present a short video review of two interesting places to eat out in Guatemala. Use specific vocabulary and expressions to describe your experiences.

Project Guidelines:

- Research the chosen restaurants, including their menu, ambiance, special dishes, and any unique features.
- Plan the video review, ensuring to use at least five vocabulary words and three expressions.
- Each video should last at least 1 minute and 30 seconds.
- Describe the overall experience at each restaurant.
- Include details about the type of food (e.g., fresh food, organic food), specific dishes (e.g., main dish, vegetarian dish), and flavors (e.g., unmistakable flavor, subtle flavor).
- Practice presenting the review to ensure clarity and fluency.
