By: Rodrigo – Level: Elementary A/B

You are all I _____
Coming from a _____ that's on his knees
At least say it's **bad / fine**, but honestly
I can't _____ it
That you ain't **leavin' / shaking**
The world keeps testing **him / me**
What can we expect, I'm only **23 / 33**
You _____ I'm alright
But I'm far too weak
I can't _____ it
That you ain't **leavin' / shaking**

[Chorus]
I know that I've hurt _____
Believe when I _____
I **never / always** meant to
Treat you this _____
Deserve much _____
I am such a **cliché / fiancée**
What does it _____

And did it _____ your mind
'Cause I see a strange look in your _____
And every time it's _____, I paralyze
My hearts stops **singing / beating**
Afraid that you **seein' / leavin'**

[Chorus] x2
I know that I've hurt _____
Believe when I _____
I **never / always** meant to
Treat you this _____
Deserve much _____
I am such a **cliché / fiancée**
What does it _____

Do you _____ you're better off _____?
(x4)

[Chorus]
I know that I've hurt _____
Believe when I _____

I **never / always** meant to
Treat you this _____
Deserve much _____
I am such a **cliché / fiancée**
What does it _____

Do you _____ you're better off
_____? (x2)
