

Do you know someone...?

Two digital forms are displayed side-by-side, resembling a web browser interface. The left form has a blue border and the right form has a green border. Both forms have a header bar with three colored circles (red, yellow, green) on the left and icons for refresh, search, and home on the right. Each form contains five input fields with labels: 'Name', 'Hometown', 'Age', 'What are your interests?', and 'What are you like?'. The 'What are your interests?' and 'What are you like?' fields are multi-line text areas.

B Read the answers. Write the *What . . . like?* questions. Then practice with a partner.
