Identify the color of the word. (Use lowercase letters)

When a problem **arises**, I **examine** it closely. For **example**, in my **journalism** class, I **recognized** a pattern in my **disposition**. I tend to **organize** my notes meticulously, **sometimes** to the point of **perfectionism**. This can **cause** **issues**, like when my fingers developed **rashes** from using different **creams**.

It was almost like a **poison** to my skin. I now understand the importance of

balance and taking care of myself while striving for **excellence**.  **LIVEWORKSHEETS**
