Read

A **Read the story quickly. Answer the question.**

What do the boys find in the park?

_____

A Day in the Park

Diego and Julio often play together in the biggest park in town. One day they find an old wagon in the park, and they play with it all day. They push and pull it around the park. Diego pulls Julio, and then Julio pulls Diego. They have fun.

Think
What does the writer want you to know?

It's time to go home. Diego and Julio both want to take the wagon home. They both grab the wagon. "I want the wagon," says Diego. "No! I want the wagon," says Julio. They push and pull the wagon for a long time. It breaks! "I don't want the wagon now," says Diego. "Well, I don't want it now either," says Julio and they leave. They're both angry and unhappy.

Think
What does the writer want you to know?

When they meet two days later, Julio says, "I'm sorry, Diego." "I'm sorry, too," says Diego. "Let's take turns next time." Now both boys know it's not good to be stubborn.

Think
What does the writer want you to know?
