

UNIT 5

1. Read the text and write T(true) or F (false).

A week ago Tim went on a camping trip with his family. They walked in the mountains all day. They took tents to sleep in, and sleeping bags to keep them warm at night. In the evenings Tim sometimes had to help cook the dinner. His parents did the washing-up. Tim was always very tired at the end of the day. His sisters didn't sleep much but just chatted. But Tim was always asleep a few minutes after he got into his sleeping bag! They didn't have GPS watches, so they had to use maps to find where to go. It was fun!
