I have some good news for everyone! It's a long story, but . . . in my last year of high school, in California, I _____ (have) a girlfriend named Sophia. We _____ (meet) two years earlier when we were both playing on the softball team. After we graduated, she _____ (move) to Texas because she _____ (get) a place at a culinary school there. After a few months, she _____ (break up) with me because she _____ (meet) someone else. I was very upset, but I accepted it because we _____ (not / see) each other since graduation. Eventually I _____ (get) a job in Chicago. Before I left California, I _____ (try) to contact Sophia and her family, but no one _____ (return) my calls. Then, last month, I _____ (go) to the grocery store, and there was Sophia, in line at the checkout. It turned out she _____ (get) a job in Chicago a month earlier, and she _____ (move) into an apartment on my street! It was weird because I _____ (spend) a whole year trying to contact her. And the best thing was that Sophia _____ (miss) me, too. Anyway, to make a long story short, we're now planning to get married. Maybe it wasn't a [illegible]
