Dear Jo,

It's the end of our first week in Las Vegas and we're having a great time. The weather here today is very hot – about 95 degrees every day!

The flight to Las Vegas was really easy and we even had time to have something to drink at the airport before leaving. All the food is delicious and the waiters are all very friendly. We are staying at the Flamingo Hotel which has a good air-conditioning system, luckily, but we have to turn it off at night because it gets too cold.

Yesterday was boiling too, so we decided to spend the whole day at the hotel pool. I wore my fashionable new sunglasses! In the evening, we walked around the city and saw the famous lights and streets. It's very romantic here, but the city is very busy.

Tomorrow we are going to take a helicopter ride over the Grand Canyon and in the evening we're going to a big show. I'm so excited! Then the next day, we are flying to Los Angeles and we're going to stay there for a few days. This vacation is all a dream come true for me! I can't wait!

We are going to have a special dinner for my birthday tonight, so I have to go and get ready.

Love
Michelle
