1 Complete the text with the words from the box.

brush (x2) do finish go wash

Rules, rules, rules! Do your parents say "you have to [1] do your homework?" My parents say it all the time! "Come on, Oscar," says Mum, "you have to [2] _____ your homework before you can watch TV." "Come on, Oscar," says Dad, "you have to [3] _____ your hands before dinner." "Come on, Oscar," says Mum, "you have to [4] _____ your teeth after dinner." "Come on, Oscar," says Dad, "you have to [5] _____ to bed at nine o'clock." There are so many rules! Sometimes, my parents forget their own rules. For example, Dad often sits down on the sofa after dinner and watches TV. Then I say, "Come on, Dad, you have to [6] _____ your teeth after dinner!"
