LISTENING EXERCISE

Listen and fill in the blank:

Mom: What are you doing, Brian?

Brian: I'm browsing some online videos. I'm interested in folding an (1)..... bird.

Mom: Origami? Is this a new hobby of yours?

Brian: Yes. I'm just getting started on a few basic models. Folding origami is very (2)..... and helps me relieve stress after a long day at school.

Mom: I think it's a great way to spend your leisure time. I read on the internet that it brings many (3)..... – it can boost your focus and develop creativity.

Brian: That's right, Mom. How did you spend your leisure time when you were my age?

Mom: There were no computers or smartphones, so I spent most of my free time (4).....

Brian: It was great, wasn't it? Which game did you play?

Mom: My friends and I flew kites and played hide and seek. During the (5)..... season, I spent time more frequently in the (6)..... field as I had to bring food and water to your grandfather and his workers.

Brian: Your childhood was so different from mine.
