

Name: _____

Inferring Feelings and Emotions

Directions: Read each paragraph and infer how the character is feeling. Draw a picture of what you think the character's face looks like based on clues from the text. Answer each question using strong text evidence.

1. Susy jumped out of bed. She was ready to start the day. "Today is," she shouted, "my birthday!" When she entered the kitchen, she saw the table decorated with balloons and streamers.

How does Susy feel? Use evidence from text.
