Gendis : I don't think most of us see how social media can help shape our future.

Kiko : (1)

Gendhis : Well, Kiko, if you take a closer look at our classmates' posts on their social media ... (not finishing her sentence).

Nuri : (2) , Gendis. I am with you. (3) mainly for showing off, which is not healthy for themselves and others.

Kiko : (4) . Why? Because I also see them follow leading figures in their fields. You both must know Dinda from the other class. She is a model. I see her follow Kaia Gerber's Instagram. (5) just like Kaia?

Gendhis : Interesting!

Nuri : Maybe we can investigate that and report it for our Social Science project?

Kiko : (6)

Gendis : Sure! Why not?
