Keeping Healthy

by Monica

I'm a very healthy eater! For breakfast I usually have cereal with milk, but sometimes I have some orange juice with a slice of bread and some honey. At school, I always have a healthy snack, like a banana or a small packet of nuts. I always have a cheese sandwich and a pot of yogurt for lunch. For dinner, my parents always make healthy meals with protein, like meat, chicken or fish. I always make a big salad with some olive oil, but not too much. I keep away from fizzy drinks because they're very unhealthy. I don't eat sweets very often, but sometimes I have a small bar of chocolate for dessert.
