The image shows a screenshot of an email composition window. At the top, there is a toolbar with buttons for 'Send', 'Attach', 'Save Draft', 'Spelling', and 'Cancel'. Below the toolbar, there are two text input fields: 'To:' and 'Subject:'. The 'To:' field has a red rectangular box around it. The 'Subject:' field has a green rectangular box around it. Below these fields, there are several horizontal text input boxes of varying lengths and colors: an orange box, a blue box, a purple box, a yellow box, a dark blue box, a grey box, and a light green box. These boxes are intended for the user to drag and drop the text from the table above into the appropriate field.
