

Read the texts and choose the right title.

One title is extra.

- A) Forest.**
- B) My best friend.**
- C) Unusual pet.**
- D) Seasons.**
- E) Happy children.**

Text 1 _____

Mark and Tim are best friends. They spend time in the village every summer. They like playing and walking together. They also like to go to the forest with their parents. There are a lot of green trees, mushrooms, berries and flowers. Mark and Tim usually pick mushrooms and berries there. They also can listen to the birds and see different animals. They never go there alone, because some animals can be dangerous.

Text 2 _____

Summer is my favourite season because my birthday is in summer. I was seven years old last year. My mum baked my favourite chocolate cake and made a lot of salads. I invited some of my friends. We ate cake, listened to music, danced and played board games. We were very happy that day.

Text 3 ____

Tim is nine years old. He lives in Moscow with his parents. He is very kind and friendly. Tim's hobbies are reading and singing. He can sing very well and he usually reads a lot. Tim likes books about animals. His favourite animal is a dog. He has two dogs. I have only one dog. Our dogs like to play together and I like to play with Tim. Tim and I are best friends.

Text 4 ____

Mark likes animals very much. He often watches films about animals. Mark and his sister go to the zoo every month. They usually see a lot of animals there. Mark's sister likes monkeys and hippos. Mark likes lions and crocodiles. Mark also wants to have a crocodile as a pet, but his sister and parents are afraid of them.
