EXERCISE 47

CLASS:

Read the conversation carefully. Fill in the blanks with your own words. (10 x 1 = 10 marks)

Jack wants to find out more about the chameleon in the Reptile Garden. He **1** _____ to ask the zoo-keeper, Mr Lee.

Jack : Where do most chameleons come **2** _____?

Mr Lee: There are eighty **3** _____ types of chameleons in the world. Most of them are **4** _____ in Africa, south of the Sahara desert.

Jack : What's so special **5** _____ a chameleon?

Mr Lee: Chameleons are well-known for **6** _____ ability to change colour. The skin and body markings can change colour to **7** _____ the surroundings. They become very difficult to spot **8** _____ the foliage.

Jack : That's why we say the chameleon "camouflages" **9** _____, right?

Mr Lee **10** _____ his head in agreement.
