

Chapter 39

High in the Sky

We see many things in the sky. We feel curious to know more about them.

A. Look at the pictures, read the clues and write the names of these things :

1. You can see me at night. I change my size every day. I am the _____.

2. We come out at night and twinkle. We are the _____.

3. You see me everyday. I give you heat and light. I am the _____.

4. When we are dark and spread all over the sky, you know it will rain. We are _____.

5. I have seven colours. You sometimes see me in the sky after the rain. I am a _____.

B. Tick (3) the things which fly in the sky :

1

2

3

4

5

6

BOOST UP

The order of the Rainbow spectrum is red, orange, yellow, green, blue, indigo, violet.
