

The diagram illustrates the mapping of paragraph formatting icons to their names. The icons are grouped into two rows under the 'Párrafo' tab. The first row includes icons for bulleted lists, numbered lists, and text alignment (left, center, right, justified). The second row includes icons for indentation, line spacing, and a grid. The names of these options are listed in yellow boxes below the ribbon, with red lines connecting them to the corresponding icons.

Párrafo

- Viñetas
- Centrar
- Sangrías
- Justificar
- Alinear a la Derecha
- Numeración
- Alinear a la Izquierda

The diagram illustrates the 'Inicio' (Home) tab in Microsoft Word, focusing on the 'Fuentes' (Fonts) group. Red arrows point from specific icons and controls to yellow boxes below, which are labeled with their functions:

- Color de Fuente**: Points to the font color icon (A with a colored underline).
- Tamaño de fuente**: Points to the font size dropdown menu (showing '11').
- Negrita**: Points to the bold icon (B).
- Fuente**: Points to the font face dropdown menu (showing 'Calibri (Cuerpo)').
- Subrayado**: Points to the underline icon (U with a line).
- Tachado**: Points to the strikethrough icon (A with a line through it).
- Cursiva**: Points to the italic icon (I).
- Mayúscula o Minúscula**: Points to the case change icon (Aa).

The ribbon itself shows the 'Inicio' tab selected, with the 'Fuentes' group containing the following controls: font face, font size, bold, italic, underline, strikethrough, font color, and case change. The 'Formato' tab is also visible.
