river bridge mountains skyscrapers ~~flat~~ police station shoe factory

Richard lives in a small in town in England called Amble. He doesn't live in a house, he lives in a 1 .....flat..... . He has lived here since he was born. His father works in a 2 ..... and he even made Robert a pair of shoes for his birthday last year! Although Richard lives in a small town, there are many 3 ..... and his mother works in one of them. She works in an office on the fourth floor and sometimes Richard visits her when he doesn't go to school. He likes looking at the 4 ..... opposite the office because there are a lot of policemen that go in and out. He wants to be a policeman when he grows up. If you go into the city centre, you can find many shops.

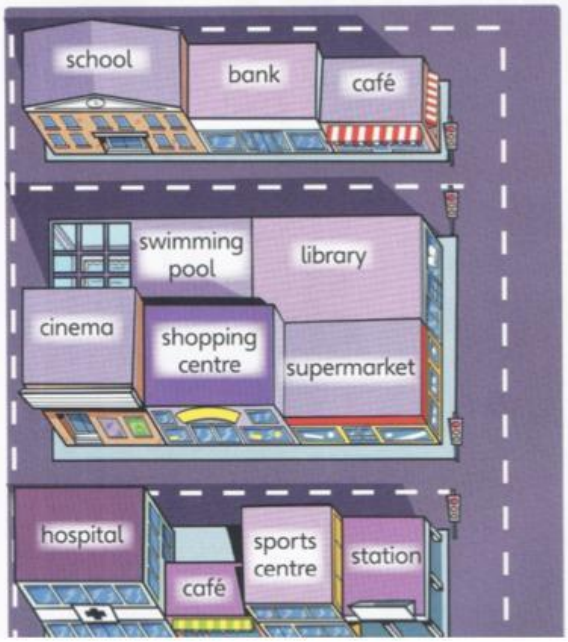

There are a lot of high 5 ..... behind the town and Richard and his family often go hiking together in the summer. A 6 ..... goes through the town centre and you can walk over it using the 7 ..... .

Richard loves his town and is very happy here.
