PRONUNCIATION PRACTICE

INSTRUCTIONS

Listen to the next song and then discuss with a classmate or in groups if the highlighted words are pronounce with **[i]** or **[ɪ]** sound.

Billie Jean

MICHAEL JACKSON

She was more like a beauty **queen**

From a **movie** scene

I said don't mind but...

What do you **mean** I am the one

Who **will** dance on the floor **in** the round?

She said I am the one

Who will dance on the floor in the round

She told me her name was Billie Jean

As **she** caused a scene

Then every head turned

With eyes that dreamed of being the one

Who will dance on the floor in the round

People always told me

Be careful of what you do

And don't go around **breaking**

Young girls' hearts

And mother always told me
Be careful of who you love
And be careful of what you do
Because the lie becomes the truth

Teacher Marlon

Billie Jean's not my lover
She's just a girl who claims that I am the one
But the **kid** **is** not my son
She says I am the one
But the kid is not my son
For **forty** days and forty nights
The law was on her side
But who can stand
When she's in demand
Her schemes and plans
Because **we** danced on the floor in the round
So take my strong advice
Just remember to always **think** twice
Do think twice

Teacher Marlon

She told my **baby** we'd danced till **three**
Then she looked at me
Then she showed a photo of a baby crying
His eyes looked like mine
Go on, dance on the floor in the round, babe

People always told me
Be careful of what you do

And don't go around breaking
Young girls' hearts
But she came and stood right by me
I just smell her sweet perfume
This happened much too soon
She called me to her room

Billie Jean is not my lover
She's just a girl who claims that I am the one
But the kid is not my son
Billie Jean is not my lover
She's just a girl who claims that I am the one
But the kid is not my son
She says I am the one
But the kid is not my son
She says I am the one
But the kid is not my son
Billie Jean's not my lover
She's just a girl who claims that I am the one
But the kid is not my son
She says I am the one
But the kid is not my son
She says I am the one
She says he is my son
She says I am the one
Billie Jean's not my lover...
