File Test 12
Reading and Writing A**READING****1 Read the article and check (✓) A, B, or C.****A funny thing happened...****Kalim, 26**

In 2017 I traveled around Europe for a month. Everything was new to me – it was my first trip outside Turkey. I also really wanted to impress my girlfriend. She loves ballet, and when we were in St. Petersburg, I decided to surprise her. I bought tickets from a box office at the theater. I was happy because they'd cost a lot less than I expected. That evening we went to the theater wearing our best clothes. When the performance started, it was immediately obvious that I'd made a mistake. There isn't any singing in ballet! We were watching an opera. And they were singing in Russian. We couldn't understand any of the words, but in the end that wasn't important. The music was incredible and we could follow the story without a problem.

Sergei, 48

Last year I took my wife and two children to Rome. I'd studied there for a year when I was in my twenties and I was looking forward to showing my family around the city. We visited the famous Trevi Fountain – it's one of the most beautiful statues in Rome and always busy with tourists taking selfies. On this particular day, it was very crowded and my wife was feeling hot and tired. Eventually, we all sat on the wall around the fountain. My wife was trying to take a selfie of all four of us. I tried to make her laugh by waving my arms around, but – disaster – I fell into the water. We have a very funny picture of my children's faces as I disappear. Of course, lots of other people recorded this moment in their selfies and videos. For a day or two I was (almost) an online celebrity. I enjoyed my moment of fame, but my children were very embarrassed.

Margaret, 69

I'd visited India on vacation twice before, but I'd never been to the north of the country. One day, I visited The Golden Temple at Amritsar. This beautiful building is not visited very often by Europeans, but it is very popular with Indian visitors and is always crowded. I was looking at the beautiful paintings and statues when a man started shouting. I didn't understand what he was saying, but that's no excuse. In truth, I simply wasn't paying attention. I didn't notice that everyone else was leaving. When I turned around a few minutes later, everyone was gone. When I got to the exit door, I realized I'd been locked in. The temple was closed for the evening and the man had been asking everyone to leave. Right away I shouted and banged on the door. I made a lot of noise! I thought I'd be in the temple all night. Of course, I wasn't alone. There were still several people inside the building, and they eventually let me out. No one thought it was a problem except me. I was so embarrassed.
