

Reparte en partes iguales y completa.

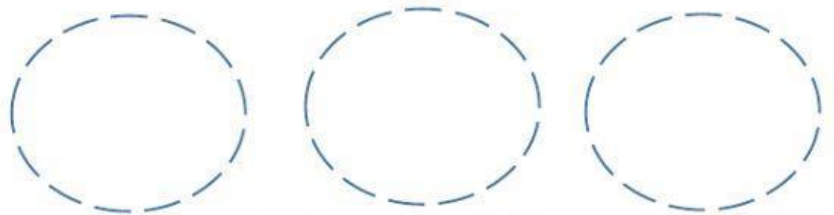

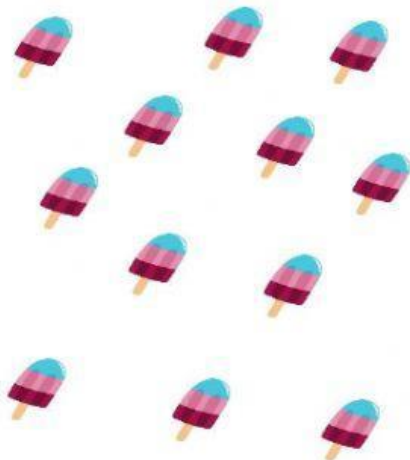

a) 16 galletas en 4 platos

$$16 \div 4 = \underline{\hspace{2cm}}$$

En cada plato hay                  galletas

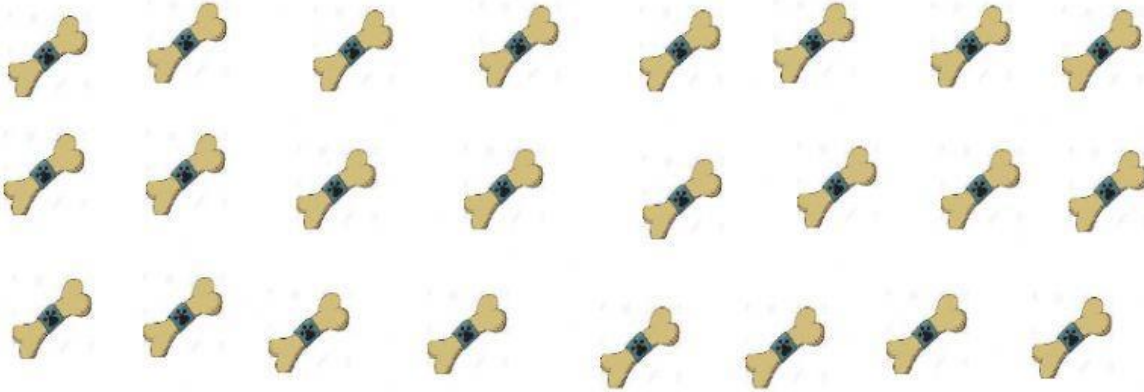

b) 12 paletas para 3 niños

$12 \div 3 = \underline{\hspace{2cm}}$

A cada niño le tocan                      paletas

c) Reparte los 24 huesos para 3 perros

|  |  |  |
|--|--|--|
|  |  |  |
|--|--|--|

$24 \div 3 = \underline{\hspace{2cm}}$

A cada perro le tocan                      huesos

d) 15 globos para 3 niños

$15 \div 3 = \underline{\hspace{2cm}}$

A cada niño le tocan                      globos

Une cada división con su resultado
