Hi everyone. We're on holiday in Germany but the weather is bad today. It is raining. We are sitting in a café at the moment. I've got my computer and I am writing my blog.

My sister is listening to music. My brothers aren't in the café. They are playing football in the rain! My mum is talking to her friends on the phone. And my dad? He is reading the newspaper. Oh yes, and my grandparents are here too. They are eating cakes! I haven't got a cake but I am drinking fruit juice. I like it! We are having a good time.

See you soon.

Oi pessoal. Estamos de férias na Alemanha mas o tempo está mau hoje. Está chovendo. Estamos sentados em um café no momento. Eu tenho meu computador e estou escrevendo meu blog.

Minha irmã está ouvindo música. Meus irmãos não estão no café. Eles estão jogando futebol na chuva!

Minha mãe está conversando com as amigas ao telefone. E meu pai? Ele está lendo o jornal. Ah, sim, e meus avós também estão aqui. Eles estão comendo bolos! Não tenho bolo, mas estou bebendo suco de frutas. Eu gosto disso!

Estamos nos divertindo.

Vejo você em breve.
