Harold was very disappointed last night. All the other students in his English class went to a party at their teacher's house, but Harold never got there. He followed his teacher's directions, but he made one little mistake.

From their school, he walked along Main Street to Central Avenue and turned left. He walked up Central Avenue two blocks to the bus stop at the corner, across from the post office. He took the Central Avenue bus and got off at Fifth Street. He turned left and walked along Fifth Street three blocks to Park Avenue and turned right. He walked up Park Avenue one block to the bus stop at the corner of Park Avenue and Sixth Street.

He took Bus Number 42, but he got off at the wrong stop. He got off at River Road instead of Rolling Road. He turned left and walked along River Road one block. He turned left again and walked two blocks, turned right, and got completely lost.

Harold was very upset. He really wanted to go to the party last night, and he can't believe he made such a stupid mistake!
