The Adventure of the Summer Holidays

Sarah and her friend Jake were excited about their summer holidays. They had been dreaming about this trip for months. They decided to visit the beautiful city of Barcelona.

"If we go to Barcelona, we will visit the famous Sagrada Familia," Sarah said. "And if we have time, we will go to the beach too!"

Jake agreed. "If we take the tour bus, we will see all the important places in the city. And if we try the local food, I'm sure we will love it!"

They made a plan for each day. "If the weather is good, we will have a picnic in the park," Sarah suggested. "If it rains, we will visit some museums."

They were both very excited. "If we find a nice café, we will stop for coffee and pastries," Jake said with a smile. "And if we have a chance, we will go to a flamenco show in the evening."

As their holiday approached, Sarah and Jake were full of joy and anticipation. They knew their trip would be amazing because they had planned everything carefully. "If we follow our plan, we will have a fantastic time in Barcelona!" they both agreed.
