3. Read the passage below and then circle true (T) or false (F). (10pts)

My name is Clemente Pino. I'm twelve years old and I live in Playa Niebla, Valdivia. The weather is not very cold but it doesn't snow here. Last winter, my mom drove to Osorno to visit the volcano. It's a very famous place for skiing. It is very cold there and it snows a lot during the winter.

My mom took a small country road. She didn't think about the snow. That was a big mistake. There was a lot of snow on the road and she couldn't continue. My mom didn't call my dad because she didn't have her cell phone with her. He was worried and called the police. My mom stayed in the car. It was dangerous to walk in the snow. She was very cold. She didn't have any food and she didn't have a blanket. After 6 hours, the police found her. She was OK. We were very happy to see her when she came home.
