2 a Complete the blog post with comparatives.

These days I live in London but I actually grew up on an island in the south of the UK called the Isle of Wight. The island's about 40 km long and 20 km wide with a population of 130,000 people so it's much ¹_____ (small) than London. London's ²_____ (busy) and ³_____ (noisy) of course but it's also ⁴_____ (interesting) because there are so many things to do. There's a cinema on the island and lots of good places to eat out, but London has ⁵_____ (exciting) nightlife.

I feel lucky because I can enjoy London but also escape to the island for some weekends at the beach. The air there is ⁶_____ (fresh) than in London and I really feel that I can relax. I don't usually go there in summer though because the beaches feel ⁷_____ (crowded) as London! It's ⁸_____ (good) to go in spring or autumn when it's ⁹_____ (busy).
