### OUR ADVENTURE BLOG

In this adventure, we go out with the \_\_\_\_\_ club. We put our life \_\_\_\_\_ and helmets on first. Lily drops a \_\_\_\_\_ bottle in the water. We paddle quickly to get the bottle, but it goes behind the \_\_\_\_\_. Lily gets the bottle and Josh sees a \_\_\_\_\_ behind the rocks. We find a \_\_\_\_\_ and an axe. Lily explains that prehistoric people used them to hunt \_\_\_\_\_. They didn't hunt sabre-toothed tigers because they could run very fast. The tools are in the \_\_\_\_\_ now and we were on TV!
