.....

Read the passage and answer the questions below.
Choose and encircle the correct letter with the correct answer.

My Favorite Things

I love all the fun things I get to play with and wear as a kid! One of my favorite things is the colorful backpack I take to school. It has pictures of my favorite cartoon characters on it. I also really like my light-up sneakers that make me feel like I'm walking on the moon when I wear them.

At home, I enjoy playing with my building blocks and making all sorts of cool structures. And when I want to get creative, I grab my box of crayons and markers to draw pictures. My art supplies come in so many bright, bold colors - red, blue, green, purple, and more!

For clothes, I love picking out my own T-shirts, shorts, and dresses. My fluffy pajamas are the comfiest for snuggling up and reading my favorite books before bedtime.

Outside, I like to wear my rain boots and a rain jacket when it's stormy so I can still play in the puddles. And on sunny days, I put on my sunglasses to protect my eyes from the bright light.

There are so many wonderful kid things that make me happy. I'm grateful for all the fun, colorful items I get to use and wear every day!

Questions
