- It's us, honey. Me and Jason.
- "Jason and I." , Amanda never went to high school.

The box states ages six and over.

Ages 6+

Read the conversations and put in "out" or «in».

Maybe I'll crawl to bed. Or a hole. I'd like to crawl . to one of those for about a month.

She will have Robert's lawyer crying the parking lot his car.

- I would like to climb on the roof and shout out, "I am a homosexual in love with Robert Hanson who is also a homosexual."
- Okay, well, let's have breakfast first. and then go to work. And then... let's not do that.

Okay, you need to get your homes. Take possession. That way, they cannot kick you if you're there.

Read the conversations and put in «am/is/are« or «do/does».

- Why she only call you? She never ever calls me if she needs something.
- You didn't even call her once this week.
- Texting the new calling. And I even used a smiley face with heart-shaped eyes. If that not say love. I not know what .
- And you see a connection as to why she might not reach out to you?

Mom really upset about Dad starting the divorce stuff and she not even talking to him. So naturally he going over there to try to talk...

- You didn't trust me.
- Well, you standing out here. Which not what I asked you to do.
- Fine. I going inside.

Read the conversations and put in «was/were" or «did».

- When you and Robert discussing this? . it last week or the week before?
- I don't know...
- you talking about it last Saturday, when you and I sitting in this room? You know, about going to the farmer's market, maybe catching a movie... that when you and Robert deciding to cut off my credit card?
- No! I n't even want to cut off the card!
- But you .
- Because Robert worried about your spending.
