II.Play the following video and answer the following questions!

Andi: Hey Bella, did you see that new dance challenge on TikTok? It's so cool!

Bella: Oh, another one? I'm starting to get tired of these short-lived trends.

Andi: Come on, it's fun! It's a great way to express yourself and connect with people.

Bella: I agree that connecting with people is important, but I think people spend too much time on their phones. It's like they're living in a virtual world instead of the real one.

Andi: I see your point, but social media can also be a platform for good. There are so many people using it to raise awareness about important issues.

Bella: That's true, but it can also be a breeding ground for misinformation and cyberbullying.

Andi: I guess you're right. Maybe we should be more careful about what we consume online.

Bella: Exactly. It's important to be critical and not believe everything you see.

Andi: So, we can agree that social media is a double-edged sword?

Bella: Definitely. It can be both beneficial and harmful, depending on how we use it.
