My Terrible Weekend

Last weekend was terrible. First, I woke up early, took a bath, got dressed and went to the kitchen to have breakfast.

 Fortunately,	I was eat a sandwich and drinking a cup of delicious coffee.
 Unfortunately,	I was drinking my coffee what the bell rang, and I spill it on my favorite dress.
 Fortunately,	I needed a new dress, so I were went to the mall to buy a new one.
 Unfortunately,	I were walking at the mall when I was slipping on wet floor and fell on the ground.
 Fortunately,	The people around didn't laugh at me, they helps me, and it wasn't serious.
 Unfortunately,	I was drive home when my back starts to hurt. I have backache during all weekend.
