

TAYLOR SWIFT

There I was again tonight
Forcing laughter, faking smiles
Same old _____, lonely place
Walls of insincerity, shifting eyes and vacancy
Vanished when I saw your face
All I can say is, it was _____ to meet you

Your eyes whispered, "Have we _____?"
'Cross the room your silhouette
Starts to make its way to me
The _____ conversation starts
Counter all your quick remarks
Like passing notes in secrecy

And it was _____ to meet you
All I can say is, I was _____ to meet you

This night is _____, don't you let it go
I'm wonderstruck, blushing all the way home
I'll spend forever wondering if you knew
I was _____ to meet you

The lingering question kept me up
2 AM, who do you love?
I wonder 'til I'm wide _____
And now I'm pacing back and forth
Wishing you were at my door
I'd open up and you _____ say, "Hey"

It was _____ to meet you
All I know is, I was _____ to meet you

This night is _____, don't you let it go
I'm wonderstruck, blushing all the way home
I'll spend forever wondering if you knew
That this night is flawless, don't you let it go
I'm wonderstruck, _____ around all alone
I'll spend forever wondering if you knew
I was _____ to meet you

This is me praying that
This was the very first page
Not where the story line ends
My _____ will echo your name, until I see you again
These are the words I held back, as I was leaving too soon
I was _____ to meet you
_____ don't be in love with someone else
Please don't have somebody _____ on you
Please don't be in love with someone else
Please don't have somebody waiting on you

This night is _____, don't you let it go
I'm wonderstruck, blushing all the way home

I'll spend forever wondering if you _____
This night is flawless, don't you let it go
I'm wonderstruck, dancing around all alone
I'll spend forever wondering if you knew
I was _____ to meet you

Please don't be in love with someone else
Please don't have _____ waiting on you
