Write a recipe for a sandwich using a procedural text. Read the example and follow the steps:

Example: Peanut butter sandwich:

How to make a peanut butter and jelly sandwich:

Ingredients:

-2 slices of bread

- peanut butter

- jelly

Steps:

First, on one slice of bread, spread peanut butter evenly over the bread.

Then, on the other slice of bread, spread the jelly evenly over the bread.

Next, put the two slices of bread together with the peanut butter and jelly facing in.

Finally, serve and enjoy!

Now, write your won recipe for a ham and cheese sandwich. Remember to use the sequencing words for the steps.
