READING

Charlotte's house. TRUE OR FALSE?

This is Charlotte's new house.

Charlotte is a young woman, she is thirty years old and she lives in a small town in Lousiana, in the United States. She is a teacher in a primary school and she has bought this house recently because she loves gardening. It relaxes her a lot.

Charlotte is always very busy. She gets up at 6 o'clock every day, she has breakfast and a quick shower, then she dresses up and goes to school by bus. It takes her twenty minutes to reach the school. She works from 8 am to 4 pm, then she does charity work. She helps children with their homework, and she teaches them how to draw and paint. Charlotte also likes music and she attends piano lessons twice a week. At weekends she does gardening. As you can see in this photo, she has a very romantic garden full of beautiful flowers and plants. When she feels sad or a little stressed, she sits on the steps outside the front door, surrounded by all these flowers with a cup of hot chocolate.
