Tips for success in the world of work

We asked our experts for their best tips.

Job [1]_____ is not as important as people think. You don't have to love your job. In fact, if you do love your job, you'll be more likely to work [2]_____ hours and put your job before your family and your health. Find a job that allows you to live the type of lifestyle you want to live. Work to live: don't live to work.

If you have been working for a company for more than a year and they have not offered you a(n) [3]_____ contract, start looking for a new job. You deserve better. It's easy to get comfortable in your current position and think that you can't find anything better. You can.

When looking for a new job, don't be afraid to apply for well-paying, [4]_____ jobs, even if you don't have all the necessary qualifications and experience. The worst thing that could happen is that you are not chosen for the interview stage. The best thing that could happen is you [5]_____ out in the application process and get the job of your dreams!

Going to a(n) [6]_____ agency is a waste of time. Today, all the information you need to know about finding a job is available on the internet. There are also numerous job websites which you can join for free and that list hundreds of available positions. Once you start looking, you'll see that job [7]_____ are everywhere.

Nobody likes to be [8]_____, but it can be better than doing a job you hate. In my opinion, if you don't get up every morning feeling happy and motivated to go to work, you should look for something else. Life is too short to [9]_____ nine to five doing something you don't like. Follow your passions. Go after your dreams.

Recent university graduates have a typical problem: companies prefer to hire candidates with experience, and they have none. However, in reality, companies are usually more [10]_____ during the hiring process than people think. What they want is to hire the best possible candidate—and that might be you. Even without experience, you may have valuable [11]_____ skills that make you the right person for the job.
